The University of Puerto Rico Department of Anesthesiology is proud to host the 38th annual **Gulf Atlantic Anesthesia Residents' Research Conference (GAARRC)**. This exciting conference will take place from April 27 through April 29, 2012, in the beautiful island of Puerto Rico.

Mark your calendar and come join other anesthesia residents and professionals who seek a rewarding learning experience. This annual meeting offers a variety of concurrent educational sessions, as well as networking opportunities of interest to members of the anesthesia community.

10 CME credits requested for this event.
